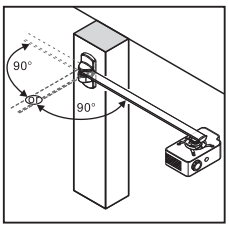
PROJ-SWM Short Throw Wall Mount

The PROJ-SWM short-throw projector arm is crafted to support any of Mitsubishi short-throw projectors. The PROJ-SWM offers many conveniences for both the installer and end-user. Once installed, the PROJ-SWM extends to 52 inches from the wall. When not in use, the arm can swing to the side, freeing up space. This wall mount also features integrated shift for finite adjustment to center of screen.



Features

- Supports projectors up to 10 lbs.
- +/- 20° mount tilt support
- Integrated cable management with cosmetic cover
- Quick & simple installation process
- Includes universal projector mount
- Ideal for interactive & non-interactive white boards
- Part #: PROJ-SWM
